

# 2023 Community Service Volunteer Non-Officer General Award

## Congratulations to **BRANDEE DYE!**

**Brandee Dye**  
Human Resources Generalist  
Jacksonville

**Brandee Dye, Human Resources Generalist**, was selected as a 2023 Community Service Award winner to recognize her work with Cherokee Family Motorcycle Club. Dye is a volunteer for the organization.

The Cherokee Family Motorcycle Club is a community of individuals interested not only in motorcycles, but also in helping others. This self-funded club collects dues from members, in addition to public donations and fundraising efforts to give back to the community. They have helped local families at the holidays through toy donation drives; gathered school supplies for students; assisted individual families following an accident or loss; and partnered with other civic organizations in philanthropic efforts.

As a volunteer with the organization for more than five years, Dye helps organize events, and collect donations from area businesses.

Dye has been a member of the Austin Bank team since August 2022. She is currently responsible for overseeing payroll operations for the human resources department. A graduate of Jacksonville High School, Dye and her husband, Robert, have two children.

*"I am blessed to be a part of such an amazing group of people."*
