Do you want to be able to look back at your family five years from now? Maybe to be able to look back and think "What was wrong with my hair?" or maybe just to have a precious memory of the whole family together before your loved ones go off on their own?

Well, if that interests you, the Wildcat Community Partnership will host a Family Portrait Sessions Friday evening on November 7, and all day Saturday November 8.

The cost will be \$19.95, which includes the sitting fee and one 10"x13" portrait. If you would like more than one, additional portraits may be purchased. Please make your reser-

ervations today because space is limited!

Flu season is rearing its head around the corner and our high school is in need of tissues! The WCP will host a Kleenex drive on November 17-21. The drive will reward students with raffle prizes, dessert coupons from local restaurants, and the opportunity to watch a teacher, administrator, or student leader KISS A PIG!

The WCP's next meeting will be on Thursday, October 30, at 5:30 p.m. in the RHS library. Topics for the next meeting include finals, upcoming UIL events, and second semester activities. Also refreshments will be served! We look forward to seeing you there!
