

2022 Community Service Volunteer Non-Officer General Award

Congratulations to Kelli Bean!

Kelli Bean
Computer Operator
Longview Greggton

Kelli Bean, Computer Operator, was selected as a 2022 Community Service Award winner to recognize her work with the White Oak Softball Mom's Club. A volunteer with the organization for three years, Bean currently serves as the Vice President and Treasurer.

The White Oak Softball Mom's Club serves the young ladies of the White Oak Ladynecks JV and Varsity level softball teams. A major endeavor of the Club is to provide scholarships to all Senior athletes as they move on to college. Even if softball is not in their college plans, the organization gives the girls the opportunity to receive up to \$600 in scholarships by the end of their Senior year. Though the teams receive some funding through the high school, girls' teams often do not get the same support as others. This group works hard to raise funds that, in addition to scholarships, provide food and snacks before games, necessary equipment, field repairs, team bonding events, team dinners and much, much more.

In her role as Treasurer, Bean balances monthly statements and keeps accurate books and financials for the Club. She assists in determining the needs of the teams and making a plan to meet those needs, as well as organizing fundraisers to build available funds.

A member of the Austin Bank team since 2000, she has assisted in many roles during her tenure with the Bank. Bean and her daughters, Katelyn and Kenzie, live in White Oak.

"Our Mom's Club gives young ladies a support that has not always been there. Girls are often overlooked when it comes to high school sports and I believe our Club gives the girls much needed support during softball season and beyond."
