Janeth Tajia, BSA Fraud Analyst, was selected as a 2022 Community Service Award winner to recognize her work with the Jacksonville Literacy Council. Tajia serves as a Board member for the organization.

The Jacksonville Literacy Council was formed in 1992 to meet the educational needs of the community. Thanks to the efforts of many dedicated volunteers and the generous donations of multiple benefactors, over 100 people each week are provided literacy training through the programs provided by the Council. Their mission is to provide free educational instruction to community adults and improve the educationally disadvantaged to help them acquire the skills they need to create new opportunities for themselves, their family and the community. They assist students in earning their G.E.D. and in learning English as a second language.

As a Board member for the Literacy Council, Tajia assists with financial decisions as well as assisting with the organization of the group's annual spelling bee competition. She has been a volunteer with the group for four years.

Tajia joined the Bank in 2015 as a Teller in the Jacksonville office. She later served as a Customer Service Representative before moving to her current role in 2021. A graduate of Jacksonville High School, Jacksonville College and the Jacksonville Leadership Institute, Tajia resides in Jacksonville with her two children.

"The services offered by the Jacksonville Literacy Council are a blessing for those in our community who wish to learn English or earn their G.E.D."

Janeth Tajia
