

2020 Community Service Volunteer Non-Officer General Award

Congratulations to Laura Stremmel!

Laura Stremmel
Teller Operations Supervisor
Bullard

Laura Stremmel, Teller Operations Supervisor, was selected as a 2020 Community Service Volunteer to recognize her work with the Bullard Independent School District PRIDE Academy. Stremmel is a volunteer with the organization and assists with teaching financial education.

The PRIDE Academy offers a nontraditional classroom setting that promotes fast learning opportunities enabling students to enter the business world at a quicker pace. An important part of the academy is their life skills training which offers classes in basic life skills, workforce skills and financial literacy. The goal is to ensure these students are prepared to enter the workforce and understand their financial future. Stremmel assists in teaching information on banking basics, credit, budgeting and investing. Each graduate of the program receives a certificate to open a new Austin Bank account.

Along with her work with PRIDE Academy, Stremmel enjoys working with other community organizations. She is a member of the Disney College Program Alumni, the Daughters of the American Revolution and is a Board member for the Bullard Chamber of Commerce.

With more than fourteen years experience in banking, Stremmel has been a member of the Austin Bank team since 2011. Beginning her tenure at the Tyler Med Center location, she now works in Bullard as the Teller Operations Supervisor. Stremmel is a graduate of Bullard High School, Tyler Junior College and the University of Texas at Tyler. She and her husband, Wesley, reside in Bullard.

"Being a part of a small community, there is little opportunity for students to learn about financial literacy and prepare for the 'real world'. I am proud to play a part in the success of these students."
