

There really is a difference in banks!

Our people make the difference.

- We have been named one of the Best Places to Work in Texas for fifteen consecutive years – 2009 to 2024.
- Our people further solidify the bank's performance with the depth of their experience and stability provided by low employee turnover.
- Austin Bank invests in employees through ongoing training and development with each employee averaging 40 training hours per year.
- Bank employees give generously to their communities through leadership as board members, volunteer efforts and fundraising.
- We honor bank employees each year with Community Involvement Awards for their efforts in the community.
